

CASA

dei curiosity

ARE YOU CURIOUS

about how you can help?

Will you join us in creating a space where learners can explore the limits of their imaginations? Where theatrical performances, exhibitions, large group presentations and even graduation can take place in a space designed for these purposes?

We need your help to make this new dream a reality!

We hope you will consider contributing to our development fund and have your family or organization honored on our Maria's Way path or prominently in our school's main entrance at the Cupola.

Questions? Are you ready to take this leap with us?
Please fill out the form on the reverse, now -
or contact Melissa Weissinger for more information.
